Deadlines

Very important: The deadline for time predictions was **Wednesday, August 9**. Please, get those into the Cup office ASAP if you have not done so yet. I know maps for the walk and run were promised to all participants. I am trying by best to her those to you all. As of now, I am still at a stand still with the city on approving them and such before I can send them to you. The 1 mile and 2 mile event is on flat land, no hills, if that helps. Some teams have already turned in their time predications. Waivers, Event Rosters, Tent Requests and Volunteer Rosters were due on **Monday, July 31**. In order to volunteer for your team and/or participate a waiver must be filled out and on file in the Cup office.

Youngstown Meltdown

The last and final week of weigh-ins is this week, August 21 through August 26. A special thank you to all of the Meltdown participants and Captains who sweated thru the past 12 weeks. Great job everyone! All of the final results and standings along with the Biggest Losers of the entire event, will be made available on Saturday, September 9th at the Awards Ceremony following the tug-o-war.

September 9 Fun

On September 9 there will be fun for all ages. Check your next Captain's Clips for all of the exciting details. There will be a Bounce Around obstacle course and much, much more.

Note

I am aware of the big YSU vs. OSU game that same day at 12:00pm. There is WiFi outside, where we are at through the grass. Covelli and JAC Live just put it all through the green space. You are able to bring TV's or any other device you have to watch the game. I currently have a blow up screen and projector I am going to use so we can all watch the game and participate too. Any other help or device would be greatly appreciated too. Just let me know.

Final Note

The heat sheets for the September events will be available the second week of September. Call or e-mail if you have any questions: (330) 744-8411 ext. 143 or email at cup@youngstownymca.org.
